LeTourneau University in Dallas TX

Center for Faith & Work

- Goal: Help Christians **close the gap between Sunday worship and Monday work.**
- Vision: **Revolutionizing the way people think about work in the Workplace, at Church, on Campus.**
- Do you connect worship on Sunday with work on Monday? Many Christians don't.
- They don't know their work is significant to God and that every workplace is a strategic place for serving Him. God values all kinds of work and those who do it.
- LeTourneau University established the Center for Faith & Work to **revolutionize the way Christians think about work** and to **help them experience Christ's transforming presence and power in every workplace in every nation.**
