Clear Concise Practical

Do you ever get afraid and scared @ work?

Proverbs 1:33 (KJV): *"But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil."*

COMMENTARY: Years ago, the Lord ministered to me through this passage in a huge way, during a season when my business was struggling and I was getting afraid and scared. There's a wonderful promise in Proverbs 1 that if you and I listen to and apply genuine God-breathed wisdom in our lives, we SHALL be safe and secure, to the point that we don't even evil speak about potential evil. Fear of evil will not invade and permeate our thoughts, emotions, words and actions. Even at work.

APPLICATION: Today, are you full of fear at work? You needn't be, if you are hearkening to wisdom. To receive divine wisdom, meditate upon the Word. Listen to the Spirit's promptings. Ask the Lord for wisdom in prayer, as Solomon did and as James exhorted believers to, and it shall be given to you. You do NOT have to spend each day at work a bundle of nerves full of anxiety and stress.

Connect with what the Bible says about work for a deeper relationship with God and a more meaningful experience of work.
