What do I know about labor contracts and price freezes? I've had no experience in business... Churches and Campuses Integrated/Invested with Faith and Work Ministries

***Christ Community Church in Kansas City** – Churchwide marketplace ministry orientation to develop whole person discipleship, on Sunday, they commission their congregation to be ready for the marketplace on Monday. Their mission: "We desire to be a caring family of multiplying disciples, influencing our community and world for Jesus Christ", including the marketplace. Led by Rev. Tom Nelson, he wrote [Work Matters](#), an important book for Christians who want to serve God at work and for pastors who want to equip them. Striking a balance between theological depth and practical counsel, Nelson connects Sunday worship to Monday morning and gives readers practical tools for understanding their gifts, so they can better live in accord with God's design for work. He writes, "Work. For some this word represents drudgery and the mundane. For others work is an idol to be served. In either case, a biblical understanding of work as godly activity and a means of spiritual formation is lost."

Grace Point Church Marketplace Ministry – The heart of the Marketplace Ministry is to help us "bring our soul to work" and honor God even more Monday thru Friday. There is great room for growth in our ability to discern and obey God's will and to receive the blessings that come by following Him. "Whatever you do, work at it with all your heart, as working for the Lord..." [Colossians 3:23](#)
